

## Resident Spotlight

Teresa was born, raised, and graduated in Rolla, North Dakota. She was the oldest of 12 siblings. She moved to Washington at the age of 19. She then married Harold, the love of her life. They were married for 47 years. They raised 2 girls and 2 boys. Together, they built a cabin in the Stillaguamish Country Club. She has always loved square dancing, bowling and spending with family at the cabin. Welcome to the La Conner family. We are so happy you are here!

## Team Member Spotlight

### Mary, Baker Extraordinaire

Mary was born in Arlington, and has spent her entire life in WA. She has always enjoyed cooking and her family has been blessed by her skills in the kitchen. Her favorites to bake and decorate are cookies and cakes, and she gets no complaints here at The Inn. When she and Matthew met, they knew immediately they were meant to be and eloped to the sand dunes of Moses Lake; they also enjoy off-roading in the mud there. Mary loves painting, drawing, and tattooing, and hopes to go to Scotland or Italy one day.

## moments captured

**Lavender Farm.**  
Faye posed in front of the big buffalo. She was captivated with all of the lights and displays.

**Bertha's heart was full visiting her great grandchildren. Mathew used his vest as a pouch to cuddle Stella. She was very comfortable just hanging out. It might be due to her love of bacon.**

## A Note from the Executive Director

Dear Residents, Families, Friends, and Staff,

Happy New Year! As we welcome the year ahead, we want to share our heartfelt thanks to our residents, families, staff, the Radiant team, and our sister community, The Village, for the love and support shown during our recent evacuation due to flood warnings. The care and teamwork meant so much to us.

Stacy Boydston,  
Executive Director

While unexpected, it brought special moments of togetherness. Many residents enjoyed time with family, baking cookies, sharing meals, and spending two cozy nights together — what a gift during the holidays.

Thanks to everyone coming together, all residents evacuated safely and returned home smoothly. We are truly grateful for each of you.

Wishing you a warm and joyful start to the new year. Please enjoy the attached January Calendar to see what's ahead.

With appreciation,  
Stacy Boydston
